TODAY

The Music Note: Seth Bingham (1882-1972) was an active composer, performer, and teacher in New York City; for 34 years professor at Columbia. His suite of five movements is retrospective to a golden age of organ performance, reinterpreted with contemporary ideas. We celebrate the generous gifts of Thom Robertson, last season's artist-in-residence here, by singing his jubilant anthem of praise at the offertory.

Pastor Dave's Bible 101 Class at 9 am in the Music Room (former chapel). You are welcome to participate in this class any time you wish. **Tomorrow evening, Paula Thistle's class on the Epistles continues at 7 pm** in the Library Lounge.

Another T-Shirt order has arrived. Church orders are available for pick-up in the Narthex. (School orders available in school office this week.)

The Chesapeake Children's Museum workday takes place **12 noon - 3 pm**. To date, 30+ volunteers will be mulching a trail, painting both indoors and out, and redoing a playground.
